CERTIFICATE OF PARTICIPATION

MLx Cases 2026

Ebenezer Rolston

This certifies that **Ebenezer Rolston** has successfully participated in **MLx Cases 2026**.

Build and deploy real AI systems — not just models — in five intensive, hands-on days. MLx Cases 2026 is a hands-on, engineering-driven module of the OxML, designed for practitioners who want to build complete AI systems from the ground up—not just study models in isolation.

Issued on **June 04, 2026**
